

Changing Lives through Groceries

If you buy groceries at Ralph's or Food 4 Less, you can give back to the Sisters of Social Service without spending an extra dime.

Many local and national grocery stores will give back a percentage of their profit to their community partners. And it won't cost the consumer anything, except the time it takes to connect your card to the Sisters of Social Service.

Please turn over this postcard to find out how to connect your card. Each month, **your store will give back 1-5% of your grocery total to the Sisters.** For more details, please visit our website at:

www.sistersofsocialservice.com.

IMPORTANT NOTE: Please call or e-mail us to let us know that you connected your card to the Sisters of Social Service. That way we can thank you properly, let you know when we've added more stores, and keep track of how many people are helping in this way. You can reach us at (818) 285-3358 or carloSSSdevelopment@gmail.com.

The Sisters of Social Service have been actively engaged in social work in the United States for **83 years**—

Thank you for your help in reaching our goal—
