

If you were one of the hundreds of people who enjoyed this summer's concert series, we don't have to explain the diversity of the offerings or the infectious joy that the musicians brought to the Holy Spirit Retreat Center. On this summer's musical menu were the Doyle's with their artful Celtic flavors, vibrant dance and drumming with Emmalyn Moreno, a talented classical quartet headed by Chet Swiatkowski from Mount St. Mary's College, and incredible soloist, Audrey Jaehee Yima, and to top off the season, the soul-filled sounds of the St. Agatha Gospel Choir. Very special thanks must go to Srs. Rochelle, Chris, and Jeannette and Linda Crisostomo for making the series a reality. It was wonderful seeing so many old friends and many sisters at the concerts. Join us again next summer for the Southern California outdoor theatre experience. They are beautiful, warm nights filled with joy and Benedictine hospitality.
